Each participant can attend two workshops over the course of the event. Please number the workshops that you would like to attend according to your preference (1 – most interesting to me, 4 – least interesting to me).

We will try to accommodate your preferences, but please be aware that places in each workshop are limited and that we must distribute attendants equally across all workshops.

Workshop 1: Vision Map - Patrick Studer, ZHAW Zurich University of Applied Sciences

Workshop 2: Sprint COIL/Deep COIL - Daniel von Felten, ZHAW Zurich University of Applied Sciences

Workshop 3: Practical Insights into COIL Projects - Nicholas Sinn, Hochschule München University of Applied Sciences

Workshop 4: How to COIL in a good way? A recipe for success - Eline Duine, The Hague University for Applied Sciences

Are you planning to attend in person or online?
